STAT

Dear George:

You were very thoughtful to take the time to write me a note. One of the highlights of my stay here in Washington has been the Monday morning meetings with you and the Secretary. One of the satisfactions I have from this job is that we have made great progress toward a satisfactory solution in Southeast Asia. The fine advice and counsel you have been able to give is an important factor in making this possible.

If you have occasion to be in the Bay Area from time to time in the future I hope you will be able to stop in for a few minutes for a visit.

With all the best to you for a Merry Christmas and a successful New Year.

Sincerely,

David Packard
